The Contra Costa County Chapter of Jack and Jill of America, Inc. cordially invites you to join us in celebrating forty-five (45) years of developing young leaders through civic engagement, service, philanthropy, and leadership experiences by partnering with us as a sponsor of our **2027 Heritage Ball: The Enchanted Garden of Time**.

This signature fundraising event will take place on **Saturday, March 6, 2027, at the beautiful Blackhawk Country Club in Danville, California**. The evening will bring together community members, corporate partners, families, and friends to celebrate service, recognize community impact, and invest in programs that help young people grow as confident, capable, and service-minded leaders.

At this year's gala, we are proud to recognize **Branches of Community Services** as an honoree for its commitment to strengthening communities through no-cost outreach services, educational support, resources, and personal development opportunities. Its work reflects the values we seek to instill in young leaders: service to others, community responsibility, personal growth, and a commitment to creating positive change.

A portion of monetary donations made in connection with the Heritage Ball will benefit the Jack and Jill of America Foundation and Branches of Community Services. The Foundation supports programs that help young people build academic skills, develop cultural awareness, strengthen character, and embrace civic and social responsibility as they prepare to lead in their schools, communities, and beyond. Branches of Community Services supports East Contra Costa County community with free outreach programs that deliver educational support, essential resources and personal development opportunities.
